

STORMA SERIES

LED flood light

LT-NA03014BCAA

Model No : LT-NA03014BCAA
 Power : 30W
 Input Voltage : AC100-240V
 Color Temperature : 2700-7000K

Model No : LT-NA05014BCAA
 Power : 50W
 Input Voltage : AC100-240V
 Color Temperature : 2700-7000K

LT-NA05014BCAA

Description

Features:

High brightness SMD LED as light source, high efficiency and energy saving.

No contaminating element like Pb or Hg, environment friendly.

Low power consumption, long life span, good stability and high reliability.

unique heatsink design, the lamp has good heat dissipation and better space utilization.

Constant current driver.
