

## TECHA SERIES

LED high performance, Energy efficient downlight

Model No : LT-GA01812AAAA  
 Power : 18W  
 LED Qtys : 18pcs  
 Input Voltage : AC100-240V  
 Color Temperature : 2700-7000K  
 Warranty : 3 years  
 Certification : TUV GS CE Rohs  
 Dimension : Ø160\*110mm

Model No : LT-GA01212AAAA  
 Power : 12W  
 LED Qtys : 12pcs  
 Input Voltage : AC100-240V  
 Color Temperature : 2700-7000K  
 Warranty : 3 years  
 Certification : TUV GS CE Rohs  
 Dimension : Ø135\*90mm

Model No : LT-GA00912AAAA  
 Power : 9W  
 LED Qtys : 9pcs  
 Input Voltage : AC100-240V  
 Color Temperature : 2700-7000K  
 Warranty : 3 years  
 Certification : TUV GS CE Rohs  
 Dimension : Ø110\*80mm

### Description

#### Features:

High brightness SMD LED as light source, high efficiency and energy saving.

No contaminating element like Pb or Hg, environment friendly.

Low power consumption, long life span, good stability and high reliability.

With high purity aluminium material, unique heatsink design, the lamp has good heat dissipation and better space utilization.

Constant current driver.
