

STORMA SERIES

LED flood light

LT-NA01014BCAA

Model No : LT-NA01014BCAA
Power : 10W
Input Voltage : AC100-240V
Color Temperature : 2700-7000K

Model No : LT-NA02014BCAA
Power : 20W
Input Voltage : AC100-240V
Color Temperature : 2700-7000K

LT-NA02014BCAA

Description

Features:

High brightness SMD LED as light source, high efficiency and energy saving.

No contaminating element like Pb or Hg, environment friendly.

Low power consumption, long life span, good stability and high reliability.

unique heatsink design, the lamp has good heat dissipation and better space utilization.

Constant current driver.
